See 15 ways to use this earthy yellow in your home. [BHG.com/OctColor](http://BHG.com/OctColor)

**“Don’t get too caught up on a perfect color match. Layer varying shades of yellow—even golds—into a space for a gorgeous complementary palette.”**

Cathy Hobbs

**ATTENTION, PLEASE!**  
This statement-making chandelier creates an instant focal point. Bamboo Lantern, \$189; [shadesoflight.com](http://shadesoflight.com)

**MUG LOVE**  
Add a pint-size dose of yellow to an all-white kitchen with perky mugs. Ungdom Mugs, \$4.99 for four; IKEA stores

**THROW & GO**  
Drape this super soft throw over a rich brown couch or cream chair to spice up the space. Faux Mohair Throw, \$59; [potterybarn.com](http://potterybarn.com)

**Cathy Hobbs**

**DAY JOB** Interior designer in New York, finalist on HGTV’s *Design Star*.

**RAY OF SUNSHINE** “Count on yellows to brighten up a room and inject instant happiness, whether the space is windowless or has plenty of natural light.”

**WOOD-WISE** “Honey-toned woods or wood paneling might not offer enough variation against warm yellow shades, causing them to blend into the background. They pop against crisp white or off-white trim.”

**A FEW PERFECT PAIRINGS**

**FALL FAVES**—buttery yellow with warm reds, oranges, browns

**CITRUS MIX**—vibrant greens and energizing yellows

**MODERN BLEND**—splash of yellow or metallic gold with black and charcoal gray

**See how yummy yellow could look in a dining area. Add the iPad to your subscription and try our Color Studio!**
