Throw Blankets Are Hot! 7 Surprising Ways to Use These Snuggly Home Accents

By Jennifer Geddes | Dec 21, 2017

The goal with a throw blanket is to add texture and warmth, as well as to introduce a complementary or coordinating shade to a room's color scheme. This accessory enhances your decor, so bring in a new hue as an accent or mix with existing ones, recommends **Cathy Hobbs**, an interior designer who's appeared on HGTV.

"Pick taupe, black, or charcoal gray for neutral color palettes and warm colors that pop like deep orange, mustard yellow, or a rich red," she adds.
