Ikea Ritva throw

HGTV *Design Star* season six finalist and five-time Emmy Award-winning TV personality Cathy Hobbs says, "I'm not sure that I have ever styled a residence without using at least one throw, and this one by Ikea is one of my favorites. Plush and warm, it's available in lots of rich colors." As if that weren't enough motivation to pick up one of your own, it's a real steal at only \$8.
